Dear Sir:

Commissioner for Patents Washington, D.C. 20231

GROUP 3600

This statement is filed in the application identified above pursuant to 37 CFR §§ 1.56, 1.97 and 1.98. Applicant calls attention to the art references within the knowledge of applicant and its attorney which are listed on the attached PTO Form 1449. A copy of each listed reference is enclosed. No representation is intended that a complete search has been made or that no better art references are available. The filing of this statement shall not be construed to be an admission that the information cited in the statement is, or is considered to be, material to the patentability as defined in 1.56(b).

REMARKS

The listed references were cited in a search report in the corresponding PCT application.
